M Group Announces Mr. Eric Vinton Joins Company as Acquisitions Analyst

BIRMINGHAM, MI. (January 4, 2021) – M Group is pleased to announce Mr. Eric Vinton has joined the company as Acquisitions Analyst. Eric brings 10 years of commercial real estate experience including seven years in the multifamily industry. His skill set includes underwriting, multifamily acquisitions and development, and data analysis.

Most recently, Eric was Real Estate Investment Manager at Camden Property Trust, a multi-family Real Estate Investment Trust that owns and operates over 150 communities and 53,000 apartment homes throughout the country. Prior to that, Eric worked for The Ardent Companies in Atlanta, Georgia. Ardent is a regional real estate investment and asset management firm with \$1.5B under management. Eric attended Georgia State University where he earned a Master of Science in Real Estate.

“I am thankful to join M Group and excited to work with this great company. M Group has established itself as a top presence in the multifamily industry, and I’m looking forward to enhancing their underwriting, asset management, and acquisitions deal flow,” stated Eric.

“We are excited to welcome Eric to the M Group team.” stated Mitch Mondry, President of M Group. “Eric has the skills and deep experience to immediately add value to our company. His strong work ethic, analytical skills, and understanding of the multi-family industry will enhance our company’s ability to add to our growing portfolio of high-quality properties throughout the country.”

M Group is a privately held real estate and investment firm with offices in Birmingham, Michigan and Aspen, Colorado. M Group has acquired or invested in over 200 properties totaling more than 19,000,000 square feet throughout North America. M Group Principals Mitchell Mondry, Josh Mondry and Ira Mondry, have over 90 years combined experience in the real estate industry, as well as in operating businesses. M Group seeks existing, income-producing multifamily and student housing properties throughout the United States.
